One Call, One Source. We can handle all phases of your project for a streamlined approach, thus eliminating the need for numerous vendors. We offer an industry leading array of material options and accessories for you to choose from. From laminate finishes, to the latest in LED lighting, security options, doors and drawers, decorative hardware, decorative back panels, shelving, countertops, sliding doors and organizing accessories to make sure everything has its own spot no matter how big or small your space is.

## ■ Our Process

Our dealer log-in portal allows you to start new job orders and follow your order once it's placed. We also have forms that we build to carry out our relationships with all of our stakeholders accurately and smoothly. Within these studies we have made to minimize mistakes and deficiencies; preliminary discovery forms, price quotation / contract forms, order / approval forms, job delivery forms.

## ■ Design Quotation

Once the complete project data is received, design documents and the quotation will be e-mailed back to the dealer no later than 2-3 days. Please do not forget, till three revision is free of charge. Project completion date is estimated. Finalized projects that are signed and paid for can not be edited. Therefore, prices are subject to change.

- Quotation is valid for 5 business days.
- Prices reflect warehouse pick up.
- Job site installation and delivery are excluded.
- Quotation excludes taxes & fees.
- Tax exempt companies must provide a valid certificate of exemption in the State of Virginia.
- MillCraft custom closets orders are 10 business days.
- Orders will only be processed when drawings are signed and payment is received.
